DNA of Church Planting

Besides personal and family evangelism, church planting is also another effective way of doing evangelism. Over the years, Trinity Methodist Church has done a fine job in planting churches such as Faith MC, Malihah MC and Siniawan MC. Tabuan Trinity MC is another most recent good example of TMC's church planting.

Jesus emphasized victorious church planting by saying, "...on this rock I will build my church, and the gates of Hades will not overcome it." (Matthew 16:18b)

May TTMC inherit the DNA of church planting from the Lord through TMC to pass on the legacy for generations to come.

Message

TRUST HIM

Hebrews 13:8 Jesus Christ is the same yesterday, and today, and forever.

There was a pair of little brothers playing and enjoying the sunset. The younger brother said to his brother: 'Wow! The sun goes down real fast!'

The elder brother said: 'No, it's not the sun that is going down fast, but the planet earth that is turning fast; have you forgotten what Dad told us that it isn't the sun that is moving, but the earth that is turning?'

The younger brother said: 'But clearly, I am seeing the sun that is moving!'

Patience, the elder brother said: 'Yes, my eyes are seeing the same thing; but more so I believe in Dad's words. He knows more than we know, and more than what we see with our naked eyes!'

This elder brother's words are a good example for us. We must choose to believe in our Heavenly Father's Words more than what our naked eyes tell us.

As we celebrate this momentous day, let us be reminded again that we need to put our whole trust in the Mighty One who is the same yesterday, today, and never changes.

Rev. Dr. Lau Hui Ming**

Message

As I was preparing the message for the Dedication Newsletter, my heart was filled with gratitude and thanksgiving.

We started back in January 2016 as a 5pm Evening English Service Congregation from Trinity Methodist Church using Chin Daw Methodist Church at Jalan Song. We were officially constituted on 28 November 2017 as a full local church named as **Tabuan Trinity Methodist Church (TTMC)**.

By faith and with minimum resources, we bought the present shoplots and started the renovation work in July 2018. During the process of designing, calling for tenders, negotiating the price, awarding the tender and completing the renovation work, we truly experienced God's abundant blessings and providence. I exalt God's amazing grace and His mighty acts for TTMC's new sanctuary with Psalm 20:7, "Some trust in chariots and others in horses, but we trust in the name of the LORD our God."

I truly thank God for allowing me to journey with Him and to experience His companionship in the planting of TTMC. This strengthens my faith and spurs me on to embark on new challenges in my future journey of serving Him. All glory and praises be unto His Mighty Name!!

Rev. Poh Chin Sing

Message

Heartiest congratulations to TTMC Pastor and all faithful servants of God!

Just as the global Methodist churches are awakened by the decline in numbers of church members in this generation, what joy it is to be able to see and witness the dedication of a new church in the Tabuan area. Glory be to our Father in heaven!

May TTMC continue to serve as a lighthouse to guide the spiritual direction in this area. May the Holy Spirit work in the hearts of all residents in the Tabuan area that all may hear His Word, see the light and hearts be opened to the Creator's work and salvation in Christ Jesus.

It is my prayer that TTMC members be united as Christ's soldiers and stay connected with HIM who is the Head of the Church. As the Apostle Paul said: From Him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work. (Ephesians 4:16)

Blessings to TTMC on behalf of all Laity Committees of Kuching West District.

*God is Power,
Touching every willing and humble heart;
TTMC will stand as a Light Tower,
Fulfilling God's will....
Serving and blessing many in this part!*

Message

“Thank you, Lord, this is good enough, simple, though small. Praise the Lord”. This was my prayer, when the renovation to the two double-storey shoplots (about 4000 sq ft surface area) was completed and the building handed over on 8 Jan 2019. This is our new Tabuan Trinity Methodist Church at Tabuan Laru.

After three years, we have a “permanent home” as our house of Worship. We are most appreciative to have a permanent office & “powerhouse” where we can train, equip and disciple brothers and sisters in Christ, as well as to reach out to the community of Tabuan, without worrying about the constraints and uncertainty of renting the premises.

When we started in 2016, we used Chin Daw MC and we first built up & developed the people, using the rented 1st floor of a shplot for our office and ministry space.

When people and ministry work started to outgrow the rented space, we then seriously considered to acquire our own premises, affordable and adequate for God’s work.

We are now blessed with close to 260 worshippers to care for in two worship services, one at Tabuan Laru and the other at Chin Daw MC.

In addition, God has allowed us to miraculously and amazingly settled completely the debt for costs incurred in buying and renovating the two shoplots within 18 months of fundraising. We thank the generosity of our Annual Conference Board of Finance, the many big-hearted donors from within our own group of worshippers, our “mother” Church TMC and also those from other churches and well-wishers.

Freed from the burden of debt, we are renewing our focus on developing people in discipling and ministry work.

That is exactly our principle & approach. We endeavor to focus on the people first, in reaching out to the seekers and pre-believers, in bringing back the lost sheep, and in equipping and discipling - all for the growth of God’s kingdom especially at Tabuan where we are based, to be a “Growing Communal Church”. We shall not be complacent.

All glory be to God and thanks to each and every one of you, who labour in love for His Kingdom’s sake.

Thank you, on behalf of TTMC

TTMC Lay Leader
Dr. Simon Wong CK

Message

I praise God for His goodness for blessing TTMC with this Building for the advancement of His kingdom. Indeed, God has been faithful and rich in His providence. We are now able to conduct another English service at 8:30 am in our new sanctuary for His glory.

I must thank the tremendous support we received from SCAC, all Methodist Churches in Kuching East and West Districts, our “mother” church, TMC and all the Brothers and Sisters in Christ who have contributed very generously, both in deeds and in kind towards the needs of TTMC. Thank you for all your love and support to enable TTMC to pay off all the loans. Praise the Lord!

TTMC is called to be a communal Church in this Tabuan area. We are reminded to be “the light of the world...”. It is timely that we refocus on our mission “to be and make disciples of Christ” ; do good deeds as Jesus commanded and bless the communities in Tabuan area and beyond. May God be our strength and help as we press on to run a good race and finish well for His glory.

Chronology of TTMC 2016-2019

A Journey of Faith

From TMC Jalan Song English Congregation to a Local Conference
Tabuan Trinity Methodist Church (Tabuan TMC)

Such joy written over each smiling face! TMC Jalan Song began as a 5:00 p.m. English Worship Service & Sunday School at Chin Daw Methodist Church's premises on 3rd January 2016. Two years later, on 28th November 2017, the English Congregation was formally a local conference, renamed as Tabuan TMC.

From then on, the rest is history. The weekly attendances consistently remained at 150-200 and Sunday School children from 20-30. Various ministries came into being in stages as more people became committed.

All glory and praise to our Almighty God. On 28th November 2017, TMC Jalan Song was formally renamed Tabuan Trinity Methodist Church with 111 members and another 80 worshippers yet to be members. A Constituting Church Conference was conducted by Rev. Lau Hui Ming, the District Superintendent of Kuching West District, to formally declare the birth of Tabuan TMC with the first LCEC 2018 - 2019 formed at the same time.

This significant milestone comes at the end of a two-year journey of faith, made possible through God's grace and provision and the dedication and cooperation of many parties and church members. We encountered various challenges during the journey. Due to a lack of available physical space at Chin Daw Church, we had to rent a first-floor shop space opposite Chin Daw as our general office, Pastor's office, fellowship hall, classroom for our ministries and Thursday Prayer Meeting. The office was even broken into by thieves but we pressed on.

Reflection

1. It is timely for English and Chinese-speaking congregations to work together for Kingdom growth. It is a good testimony when churches with people from different cultures are able to move together and pool their resources together to glorify His name.
2. Meanwhile, Tabuan TMC will continue the 5:00 p.m. English Worship service & Sunday School, as an extension of English worship service at Chin Daw Methodist Church. TTMC will continue the blessing of close cooperation in Kingdom work between English & Chinese speaking Methodist churches here. We share the use of some common facilities to save costs and still be able to achieve the goal of reaching out and extending God's Kingdom.

Inaugural Morning Service at TTMC Tabuan Laru Sanctuary (24th February 2019)

This is an important milestone for TTMC as we begin a new journey with a morning worship service in TTMC, Tabuan Laru. We give thanks to our Heavenly Father for His blessings. In addition, we thank our Pastor, all brothers and sisters in Christ and everyone who have contributed in one way or another to achieve this milestone. We have come this far by faith. Let us continue to pray to become a growing communal church.

Church Ministries

Christian Social Concern

TTMC's Christian Social Concern Ministry led by Pastor Rev. Poh (fourth left) made a visit to Brother Barnabas Lim (second right) and Sister Anna Lai's (front right) house on June 18th. The purpose of the visit was to get to know their health's condition and to pray for them as both were feeling weak.

In line with TTMC's mission – to be and make disciples of Christ, the Christian Social Concern Ministry in collaboration with other ministries like Membership & Evangelism, Mission & Medical Outreach has organised various activities. Just to mention a few like the blood donation drive and a sharing on the danger of drugs. The objective of the ministry is to reach out intentionally to care and show concern to our church members/worshippers and the Tabuan communities in general.

Blood donation campaign jointly organised by TTMC with Stampin District Malaysian Red Crescent Society on 23rd March 2019

TTMC hosted the testimonial sharing by bro. Hii Daw Soon on the evening of 13th April 2019 specially for the youths in Kuching

Small Groups

Small group ministry is CORE to the heart, pace and growth of our church. Thus, it is of utmost importance that everyone in the church belongs to a small group. In small group, one becomes a part of the family of God who cares, prays and fellowship together.

There are 12 small groups at TTMC and that includes two new small groups namely; the young couples and Tabuan Laru's group which are formed in 2019. Most groups meet weekly while some meet fortnightly and one meets once a month. Some groups are age related, eg: Young Adults Group while others are according to location or family type.

A typical program of small group meeting consists of: praise and worship, bible study, open discussion facilitated by the leader, sharing and praying for one another, ending with some simple refreshments over fellowship. The venues of meeting can be in the homes or at Tabuan Laru church.

Should there be any enquiries, do not hesitate to contact the pastor-in-charge, Rev Poh Chin Sing or the Small Group Coordinator, Audrey Leong.

Sunday School

Our mission statement is, "Reaching children with the gospel and bringing them up as disciples." We nurture our Sunday School children by teaching them the life changing truth of the Bible through Bible content and related interactive activities. Praise and worship is also an integral part of Sunday School. The children learn to personally experience spiritual development and build up godly character. They enjoy friendship and fellowship with their peers.

Youth Fellowship

The Youth Ministry aims to help the young people to –

1. Know Christ Jesus as his/her personal Saviour

Christian Education & Literature

Christian Education (CE) is the foundation for lifelong learning and growth towards maturity in our Christian faith. It provides resources and courses to equip believers to grow in the grace and knowledge of our Lord Jesus Christ through His Words, thus we become faithful followers that God calls us to be, develop our spiritual gifts and strengths to encourage and lead others to grow in Christ.

The Prayer Ministry is also under Christian Education.

The church meets for Corporate Prayer once a week on Thursday evening from 7:30pm to 8:30pm.

Membership & Evangelism

When Tabuan Trinity Methodist Church became a full church in November 2017, we had 111 full members. As time goes by, we have grown to have 157 members of which 143 of them are full members as of August 2019. The attendance of our morning service at Tabuan Laru was averaging 90 to 100 people while for the evening service at Chin Daw Methodist Church, we had about 160 to 170 worshippers. As part of our vision which is to become a growing communal church, we would like our members and worshippers to participate in church life and grow in maturity in Christ. We also want to see more of our members joining small groups so that they can build up their faith through Bible study and fellowship. Likewise, we will continue to reach out to non-believers so that they will get to know Jesus Christ our Lord through evangelistic sermons, special events, visitation and prayers as well as sharing of testimonies.
