'Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.'
Matthew 28:19

TABUAN TRINITY
METHODIST CHURCH

Vision: A Growing Communal Church
Mission: To be and to make disciples of Christ

MESSAGE FROM THE EDITORIAL TEAM

Dear Brothers and Sisters in Christ,

Grace and Peace to you from God the Father and the Lord Jesus Christ.

The Covid-19 pandemic over the past 3 years had caused unprecedented pains and sufferings to mankind. It had impacted our lives in all aspects especially in economic, social, emotional and physical. There were business closures, loss of income, unemployment, financial instability, forced rearrangement of working conditions, illness and grief over the passing of loved ones. These had caused anxiety, depression, stress, fear, insomnia, anger and tiredness among people from all spectrum of lives over the world.

Under this kind of seemingly bleak circumstances, we as Christians should ponder whether we had fared better or worse than those yet to become believers. Did we have inner peace that guarded our hearts and minds during this turbulent time?

Recalling the events that unfolded before us over the last 3 years, it was the best time for us to be still and live out the Words in the Bible. We should all stand on the promises of God. We should remain joyful, thankful and faithful under all circumstances (1 Thess. 5:16-18). We know our Lord will never leave us or forsake us (Deut. 31:6). We also know we don't have to fear or be afraid because our Lord will not only strengthen and help us but He will uphold us with His righteous right hand (Isaiah 41:10). In no circumstances shall our hearts be troubled because we shall have peace in our Lord Jesus Christ (John 14 :27, John 16:33). We can cast all our anxieties on Him because He cares for us (1 Peter 5:7) and in our prayers we can present all our requests to Him (Philip. 4: 6-7).

We, the editorial team, hope the spirit of thankfulness stays with all of us no matter during good or bad times. We must always be grateful to the Lord because it is His grace that gives us hope and hence, we must be joyful in all circumstances.

Blessings,
Editorial Team

MESSAGE FROM TTMC PASTOR-IN-CHARGE

Rev. Candy Liong

What is friendship? Friendship happens when people enjoy each other's company. Friends are the people we choose because we enjoy their companionship, love and care.

What about spiritual friendship? Graceworks, an NGO Christian organisation in Singapore, identifies 'spiritual friendship' as: 'friendship that is rooted in Christ, for the purpose of growing in Christ. The basis of spiritual friendship is a shared relationship with Jesus Christ. The purpose of spiritual friendship is a common commitment to help one another grow in Christlikeness.'

Spiritual friendship is centred on Jesus Christ. With our spiritual friends, we aim to grow together in Christ. According to Saint Brigit, God is very near when we are in the company of a spiritual friend. Jesus Christ also said that whenever two or three are gathered in His name, He will be with them. When spiritual friends meet, it is Jesus' love that binds us together and He is present with us.

Spiritual friendship is also life enriching as it also involves elements such as emotional vulnerability, showing each other hospitality, being loyal to each other and loving each other. While Spiritual friendship points to Christ, it is not exclusive. The aim of spiritual friendships should be extended to a larger extent, such as, the body of Christ and the community.

We are blessed to be in this TTMC community whereby we have spiritual friends who are also on the path of growing in our Christian faith. May all of us experience the love of God through spiritual friendships.

MESSAGE FROM TTMC LAY LEADER

Dr Simon Wong Ching King

Dear brothers and sisters,

Living in the present time, we are much affected and engaged with social media - Facebook, TikTok, Instagram, Twitter, Whatsapp and so forth. There is also endless information from YouTube, which can be negative at times. Church publications such as newsletter, church directory and weekly bulletin will be able to provide more accurate, concise and authentic information regarding the church to the congregation.

TTMC is grateful and thankful to God that we managed to establish the Christian Literature Ministry after the LCEC came to a consensus at the last retreat and the Planning & Budget meeting. One of the tasks is the yearly publication of our TTMC Newsletter. It is a platform where we can share our events and special occasions, testimonies especially personal ones in their journey with Christ. These sharings can edify one another in their spiritual walk with God.

The Word of God is the truth. Let us share our personal encounters with Christ which will give glory to God's truths. We must be reminded that the written word can be a way to bring people to salvation and encourages disciple-making too.

Let us all give support to our new Ministry and the team under Lee Ting Siing.

LCEC, 2023 – 2024

FRONT ROW (L TO R) : Chan Yeat Lin (PPRC), Rebecca Ling Ching Nei (Secretary), Ronnie Hii Ru Wei (Vice Chairman), Quek Chiew Siam (Chairman), Rev. Candy Liong (Pastor-in-charge), Dr. Simon Wong Ching King (Lay Leader), Dr. Lu Huong Ying (Associate Lay Leader / Worship & Music), Dr. Lee Khoon Siew (Sunday School), Lucy Quek (Prayer in Worship & Music Ministry)

2rd ROW (L TO R) : Clement Wong Teck Hoo (Christian Social Concerns), Ps. Jho Jhunhee (Missions), Ting Kong Yu (Christian Education), Albert Lee Choon Keng (Usher Ministry), Lee Ting Siing (Christian Literature), Noreen Tan Sui Kian (Membership & Evangelism), Audrey Leong Hui Ling (Steward Elect 2 – Small Group & Social Concerns), Ch'ng Oon Hock (Steward Elect 3 – Students' Ministry), Henry Aik Teck Bin (Property Management)

3rd ROW (L TO R) : Belinda Kinchu (Steward Elect 5 – Sunday School), Ting Su Jia (Steward Elect 4 – Membership & Evangelism / Praise & Worship), Eric Voon Kuok How (AV Ministry), Capt. Bong Kui Chiew (Boys' Brigade), Johnnie Ngu Heng Ee (Stewardship & Finance), Felix Ling Chen Chang (Multimedia), Yeck Chee Heng (Students' Ministry) Jacob Ting King Soon (Youth Ministry)

ABSENT : Nicca Soh Lin Ting (Treasurer), Wong Changi (Small Group Coordinator), Dr. Law Siew Hor (Steward Elect 1 – Praise & Worship)

OUR CHALLENGES & FOCUS IN 2023 ONWARDS

by Dr Simon Wong CK

*TTMC 5th Anniversary video**

SCAN TO VIEW ONLINE VIDEO

We face many challenges for being a communal church at Tabuan Laru. A look at the QR code or link here (video clip 5th Anniversary of TTMC)* will remind us that TTMC is formally 5 years old. Prior to that we were an English-speaking congregation of Trinity Methodist Church at Chin Daw for 2 years. We have borne some fruits both within and outside the church. We would like to refocus on some present challenges that we encountered as we move forward:

1. SPACE CONSTRAINT

We want to give praise to God for blessing our shophouse church. Our membership is 260 by latest count from an initial 111 about 5 years ago. The average weekly attendance is between 160-180. At times, it will be more than 200. Thus some worshippers have to use Fellowship Hall 1 upstairs during the Sunday morning worship service. This is not very ideal as they are separated from the congregation in the main worship hall. This dampens the communal sense of corporate worship together.

Besides, we also have Youths, Sunday School (SS) and Boys Brigade in our midst. We have an urgent need for space to cater for the different age groups of the SS. We also have Youths who need rooms for their Sunday Bible Class. We are unable to run adult bible classes or small group meetings concurrently because of space constraints. A shophouse church has difficulty opening to the public because of the security concern. As such we find it challenging to project ourselves as a communal church in that sense.

Hence, we have the common challenge to look for a piece of land nearby for building a bigger worship hall. As suitable land in Tabuan Laru area is hard to come by and not cheap, we should therefore explore possibilities of State, native or commercial land. We encourage all members to pray on this matter.

2. GROWING THE PRAISE & WORSHIP MINISTRY

We do not have enough members to serve in Praise and Worship teams for normal Sunday, SS, Youths and SMKTJ Sunday worship. We need to develop a strategic growth plan for our P&W teams. We pray that our new Church worker, Kennison Anak John can be a trainer especially in playing the guitar.

3. SMALL GROUPS

The church needs to help and support the Small Group coordinator & the hardworking team of SG leaders. We need to explore further how to get everyone into a small group and further multiply. Yes, we have to expand and multiply. In the early house groups in Acts 2:41(NIV)- 'Those who accepted his message were baptized, and about three thousand were added to their number that day.'

Acts 2:47(NIV)- 'Praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.'

SG is like a mini church where one can pay closer attention and care, love one another and grow spiritually together. Church grows when small groups grow. May the Holy Spirit move in our midst. Every year we set a small target to get more members into small groups and multiply. We also identify suitable bible study material to be used.

4. LOCAL PREACHERS & STMS

We pray for more English-speaking pastors, local preachers and leaders to minister as a team.
Many pastors have attended STMS (short term mission school) before they answered God's calling to be a pastor. So, for us in the English District we need to encourage more members, especially the younger ones to join the English STMS. This year we have one, Joanne Wong from our church. Praise The Lord. We need to prepare our youths and members to be future English-speaking pastors to meet the needs of growing and new churches.

We need to encourage more members to study to be local preachers who will help pastors to do teaching & pastoral works (not just preaching). Currently only Ronnie is undergoing training to become a local preacher. We will be able to plant more English-speaking churches if there are more local preachers to help the pastors.

5. SMKTJ & DISCIPLESHIP GROWTH

Under brothers Ch'ng, Yeck and team members, we are able to continue organizing the weekly Sunday Student Worship Service for the students. They are more punctual and regular now. We need more members to come forward and help with refreshments and in the bible study with their ISCF.

We thank God that He has granted us a new church worker after a long search. We pray that he will stay with us long so that he can assist Ch'ng and Yeck to further strengthen the discipleship programme with students through more Bible Study.

6. TITHE & OFFERINGS

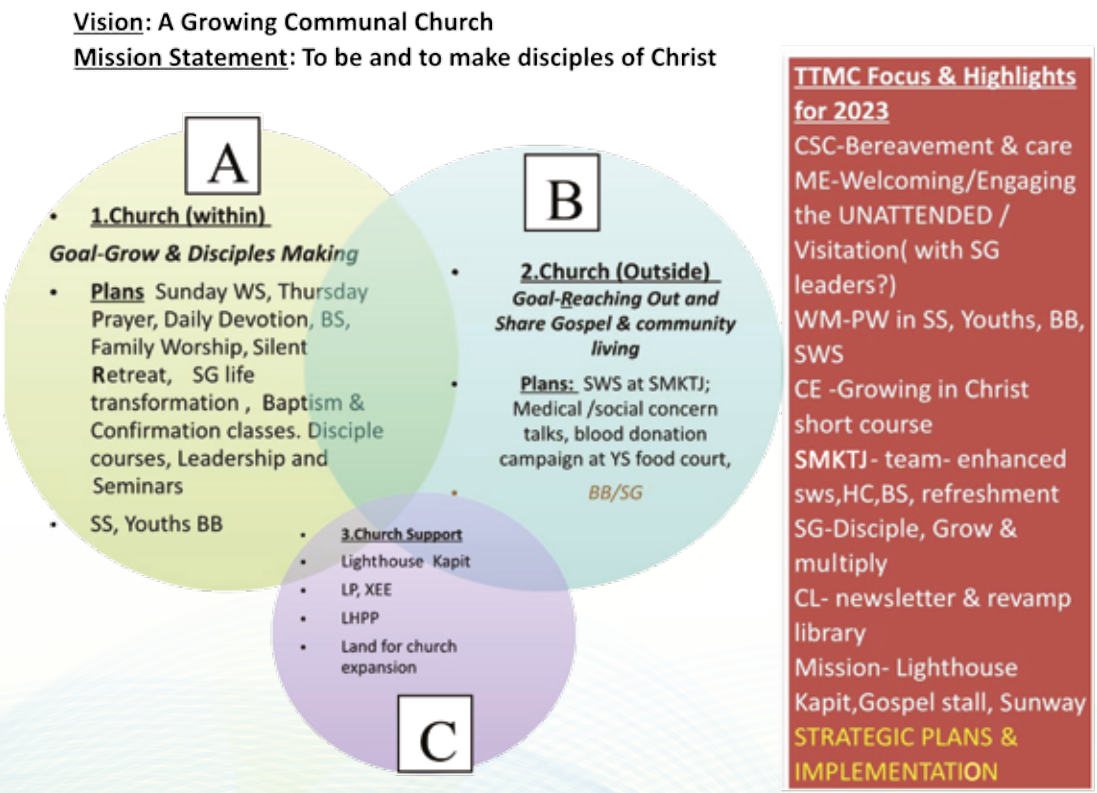
The current expenditure for church work has stretched the church coffer. May our members continue to be faithful with their offerings, especially their regular tithings.

To conclude, we must ask ourselves, are we really reaching out as a Communal Church?

We thank God for all He has done to TTMC. May we faithfully commit to serve TTMC wholeheartedly.

I am sure we all agree that we have yet to gain full momentum to reach out to our community like the YS food court and the residences nearby. We pray for how we as a church can impact our neighbours for Christ.

The diagram below will sum up what we are doing within our church (left green A), with our neighbors (right blue B) and what we intend to focus on (red as C) in our current year(s) so that we are indeed a Communal Church as stated in our Vision.



REFLECTION ON OUR TTMC 5TH ANNIVERSARY

by Quek Chiew Siam

After flipping through our 5th Anniversary Magazine again, it reminds me of the fond memories of how God has blessed TTMC all these years. It is indeed a great privilege to be in a team that works together in unity for the glory of God.

Apostle Paul, in his letter to Thessalonians, praised the young Church for their work produced by faith, their labour prompted by love and their endurance inspired by hope (1 Thessalonians 1:3). Similarly, for TTMC, a young Church, we are blessed with faithful workers with loving and caring hearts for the congregations as well as neighbours outside the Church. Indeed, we are proud to be a communal church in Tabuan Laru area. This is a milestone we have achieved in our last 5 years and by God's grace, we want to pray like Jabez (1 Chronicles 4:10) 'Oh, that you would bless us and enlarge our territory! Let your hand be with us and keep us from harm so that we will be free from pain.'

Apostle Paul also encouraged the Thessalonians not to rest at their laurels but to progressively produce more and more love to others. This can be our reminder too. Our love for Christ must increase. So is our love within the church among the brothers and sisters in Christ, and beyond the church walls, reaching to the communities around us. Let our light shine before others, that they may see our good deeds and glorify our Father in Heaven. (Matthew 5:16)

WORSHIP AND MUSIC MINISTRY

by Lu Huong Ying

Tabuan Trinity Methodist Church (TTMC) turned 5 years old on 27 November last year. As a contemporary Methodist Church, our worship liturgies or service orders for all gatherings are usually arranged according to the guidelines set out by the Methodist Book of Worship.

The Methodist Church of the world today, despite geographical locations and cultural dispositions, still preserves the unique tradition of singing (commonly called 'Praise and Worship' now), praying and scripture readings in our various types of gathering (Sunday service, fellowship, bible studies and small groups etc).

The term 'Worship' in Methodism according to John Wesley, does not limit to the act of attending a Sunday service but rather he defined it as 'the need for Methodists to gather with one another in order to receive grace in its various forms. Worship is not only something we do — offering praise and offering ourselves, but through worship, we receive grace'. Particularly, prayer, worship and receiving the Lord's supper are considered means of receiving grace.

'Music' is an integral part of the worship as John Wesley gave central place to the revitalization of worship in the Methodist movement. To worship God 'in spirit and in truth' (John 4:23-24) meant to 'love him, to delight in him, to desire him, with all our heart and mind and soul and strength; to imitate him we love by purifying ourselves, even as he is pure; and to obey him whom we love, and in whom we believe, both in thought and word and work'. Therefore, at every Sunday worship service, we sing 3 to 5 songs (both Methodist hymns and contemporary praise songs, including three-fold Amen).

At any typical Sunday Worship Service at TTMC, you would notice the ushers are there welcoming you and they will lead you into the worship hall (a holy place where we worship God as a corporate body). After you are seated you would notice the important elements of a Methodist worship, the pulpit, the Holy Communion table, the freshly arranged flowers, depending on the liturgical calendar of the Methodist Church. There are many preparations undertaken prior to the gathering of God's people at a Sunday worship service.

As a growing communal church, TTMC is a living testimony of how faithful our God has been – sending the P&W team from TMC to 'train, build and send' an in-house dedicated P&W team serving at TTMC. Some of our gifted members have moved on to serve in other churches due to their study progression or work commitments. Therefore, we always welcome new members to join the praise and worship team as singers or musicians for Sunday services as well as Thursday prayer meetings.

Our prayer is that more members will respond to our call and through the Holy Spirit's conviction, to seize the opportunity to start serving the Lord by joining one ministry. The areas of service under the Worship and Music Ministry at TTMC include Praise and Worship, Choir, Floral Arrangement, Holy Communion and Thursday Prayer meetings.

If you would like to learn how to sing, you may consider joining the choir. If you have some experience in leading praise and worship or are good at playing a musical instrument, please consider joining our Praise and Worship team. You could also join the sisters of the floral arrangement team to learn how to make beautiful flower bouquets as offerings for Sunday worship service. If you have a burden to pray for the myriad of needs (the world, country, government, salvation of the unreached people groups, disciples of Christ after God's own heart, our family, church etc), please join us at our weekly prayer meeting on Thursday at 7:30 pm.

As we aspire to become disciples of Christ, let us learn and grow through serving the Lord together just like the beautiful Psalm 96: 1-3 'Sing to the LORD a new song; sing to the LORD, all the earth. Sing to the LORD, praise his name; proclaim his salvation day after day. Declare his glory among the nations, his marvelous deeds among all peoples'.

Thursday Prayer Meeting

STUDENT MINISTRY OF TTMC IN SMKTJ

by Ch'ng & Yeck

Introduction : In The Beginning

Early 2019 -- Mathematic and English classes on Saturday
Later in 2019 -- 5 BB boys from the school joined TTMC Sunday worship service, eventually more boys & girls came to TTMC
07 February 2020 -- Started bilingual WS for SMKTJ students in TTMC
March 2020 -- pandemic struck and lockdown. There was no worship service.
13 Februari 2022 onwards -- ***God opened the door*** for us to hold Sunday worship service (SWS) in the school, mainly in the school hall and also in other available rooms or venues. The attendance varied from 60 to 120 students per worship service.
Holy Communion & Bible reading class -- held on every second Sunday of each month which is conducted after the Sunday worship service.

130 students in Good Friday Worship Service at 3pm

Lined up to come forward for Holy Communion

The Present: January till 16th April 2023
The church's vision (A Growing Communal Church) with its mission (To Be and To Make Disciples Of Christ) will continue with SMKTJ as one of its main focus.

Seated to listen to Khutbah

The Approach: Multiple Strategies but One Focus

- The hearts and minds of the students are our mission field.
- 'Disciple-making' among students--through Sunday worship and Bible reading class.
- While emphasising on the spiritual formation of the students, we do not neglect their academic, financial & emotional needs.
- Good rapport with the School Admin & Staff.
- Involvement of other ministries (e.g. Social Concern & BB) & collaboration with other organisations/ churches.

Students leading P&W

Some Statistics From January till 16 April, 2023
So far 14 worship services (13 on Sunday and 1 on Good Friday) have been held in the school; mainly in the school hall, three times in the STEM lab and once just outside the hall. (What an experience!)
The attendance varied from 21 to 169 students, depending on the school calendar, and activities or during public examination. The number of adults (TTMC members and teachers) in the services varied from 7 to 15. Actual statistics showed an average of 100 worshippers (90 students with 10 adults) in each worship service.

Prayer Request : Pray that we have

- Unity among the church ministries and members in serving our God in SMKTJ.
- Wisdom, strength, love and humility while serving in the student ministry.
- Responsive and receptive students, that they become disciples of Christ.
- The faith and courage to move on with this student ministry when He opens the doors.
- More church members will come forward to serve in this Ministry.

Praise & thank God for giving us the opportunity to serve and to grow in Him. We are also thankful that the church has appointed Kennison Anak John on 19 April,2023 to assist us in this Ministry.

BOYS' BRIGADE MINISTRY

by Bong Kui Chiew

The Captain

A rejected military soldier, transforms into Captain America after taking a dose of a 'Super-Soldier serum'. Being a Captain America comes with a price as he attempts to take down a warmonger and a terrorist organization. A captain in an aircraft, a ship or a military squad is also a leader. Similarly, any organization including the Church also needs a leader.

BB ministry, like any other ministries, also requires a good leader to advance God's kingdom. He needs to plan various training activities in Physical, Social, Educational and Spiritual. These must be balanced with the twin pillars of Discipline and Christian Faith. The Boys' Brigade is the first international interdenominational Christian youth uniformed organization in the world that has sustained until today. This is a 'legacy' passed down by BB's founder, Sir William Alexander Smith who aspires to combine drill and fun activities with Christian values.

BB's mission field focuses on the young generations regardless of gender. A dilemma arises when people question whether BB can officially administer to girls as well. Well, Boys' Brigade is just a technical term for the organization. Similarly, ministries such as Youth, Student, Sunday School and others are all unisex. Jesus never say we must spread the gospel to male only. He also did not tell us to focus on age. This shows God's love has no restriction irrespective of gender or age.

A leader has to direct to achieve a purpose. There are different types of leaders with varying characteristics. Generally, they can be classified as A, B, C, D & E i.e. Autocratic, Bureaucratic, Charismatic, Democratic and Evangelistic. A leader can have one or more of these characteristics. Nevertheless, there is nothing right or wrong with these characteristics as long as we, as followers, can accept them as our leaders. There is no leader if there is no follower. Jesus Christ had twelve disciples whom he carefully chose to achieve His mission. He is a leader who shows His great LOVE to the world and uses God's wisdom to spread the gospel not only to His disciples but to all nations.

He is The Great Captain to all mankind.

John 3:16
'For God so loved the world that He gave His one and only son, whoever believes in Him shall not perish but have eternal life.'

TESTIMONIES (Disciple Green Year 2022)

By Lu Huong Ying

Signing up for Disciple Green has not been an easy choice. When the news about the offering of this course came about in November 2021, I thought I would sign up if only I had enough time for myself in 2022. I was not sure if I could finish this 32-week course while caring for my ageing parents and starting a new job. It's like starting a voyage that requires me to stay on course for a 9 month duration. Nevertheless, seeing my Small Group sisters signing up, I also hopped on the boat to complete this new journey of bible learning. It has been an unforgettable river cruise down the many wonderful and mesmerising moments of discovery through the instructors' videos, discussions (Into the Word and Into the World) and impromptu sharing of life experiences by participants. Again, just like my previous experience with Disciple Red, I often found myself amazed at how the curriculum unfolded some of the mystical events recorded in the bible or be completely challenged in one's traditional understanding of the bible.

As we wrap up the final lesson (no. 32) on pledging my complete allegiance to God in time, money, skills, family and my interaction with those whom God put in my life, I am just full of gratitude and thanksgiving to His immeasurable grace. Without which I could not have finished this course. In fact, I missed 3 lessons due to unexpected events and COVID 19 infection.

Throughout the course, I often felt completely lost at the questions asked by the facilitators or the study guide. I found that the use of a bible study guide book actually gave me much insights to the lessons besides the additional materials provided by our faithful facilitators. 'Thy word is a lamp unto my feet, and a light unto my path' (Psalm 119:105). Indeed Abba Father, I need to desire Your word Lord, hold it deeply in my heart, talk about it and live it out.

By Michelle Lau

During the 1st MCO in 2020 , I completed the Disciple Red Course.

After a year's break, I thought I was ready to continue to deepen my understanding of our Almighty God by taking the Disciple Green Course.

In the beginning when the lessons started, I was struggling with my time management. There was a tussle for time and attention in work, family affairs, the daily devotion as well as extra reading to prepare for the weekly lessons. Indeed it was really a struggle for me as I felt that I might not be able to handle it.

However, after a few weeks of studies, I was baffled by the repetitive disobedience and ungratefulness of God's chosen people, even though they were rescued and forgiven time and time again. This made me realize that I am no different from them. This thought motivated me to press on with my study.

The 32 weeks of lessons on God's words and the Good News of Jesus Christ to the World convinced me that I must be a faithful witness in sharing the Gospel of Christ to the lost. I also learned that I must seek God's will and direction even though my life journey has been smooth without many obstacles. I should not depend on my own strength and ability but willing to submit and fully trust in Him.

From now on, I must spend more time and be more diligent to do God's work. I must serve more in Church rather than just being an ordinary worshiper and a cell group member.

Finally, a big thank you to the facilitators who were diligent in leading and guiding us and fellow Disciples for their prayers and support throughout the course of the study.

PERSONAL TESTIMONY

by Susy Wong

Journey with God through the dark valleys in life

'I'm sorry, there is nothing wrong with your husband, but you should probably have him checked by the psychiatrist.' I agreed and scheduled an appointment with the doctor. I suspected he developed a post-traumatic stress disorder because of the frightening bike accident in February 2011. Over the years, he took different medications to treat the different diagnosis like anxiety disorder, major depressive disorder and bipolar disorder identified by different doctors.

Through the years of battling this, my family went through the dark valleys, deep waters and sleepless nights to cope with the unpredictable symptoms of my husband daily. Nothing seemed to work! Hopelessness and helplessness crept in.
But we pulled through - all because of God's mercy and grace. He relentlessly pursued us, drawing my family closer to Him and to each other. Praise be to God!

In 2016, the Lord led us to worship at TTMC. Through His Word, fasting and prayers with sisters, growing with a small group and fellowship with other believers encouraged us to trust in God's sovereignty to battle for us (Exodus 14:14). God did marvellous things in my family, especially my husband, who then realised it was a spiritual battle. Though he went through ups and downs, he learned to call upon our faithful God to carry him through, reading His Word and singing hymns to calm himself down. God has been good, sustaining and strengthening him daily, even right now, when he is battling with a rare gastrointestinal stromal tumor (GIST) cancer. Indeed, 'God has reached down from heaven and rescued me; He drew me out of deep waters' (Psalm 18:16).

As a caregiver, I praise God for His faithfulness that He will never leave me or forsake me (Deut. 31:6). Through an in-depth Bible study with a group of ladies and serving in children's ministry, He helps me to stay focused on Christ alone. I thank God that through trials and sufferings, I see God's plan and His purpose for my life, and He helps me to carry on and walk by faith. Yes! I will continue to trust in the inexhaustible power of our God. Amen.

'Be still and know that I am God.' (Psalm 46:10)
